## Statement

We hereby certify that during manufacture of

**ZYTEL<sup>®</sup> FGFE5171 NC010C**  
**nylon resin**

no additive of animal origin is added.

To the best of our knowledge, our raw material suppliers do not intentionally add the above substances in the manufacture of their products. However, we do not routinely analyse our resins for the above substances nor do we require our raw material suppliers to do so.

A handwritten signature in black ink, appearing to read "R. Kurzknabe".

Rainer Kurzknabe  
Regulatory Affairs Programs Manager

This statement is based on our current level of knowledge and covers commercial and experimental resins as supplied by DuPont at the date of issue. Since conditions of use are outside DuPont's control, DuPont makes no warranties, express or implied, and assumes no liability in connection with any use of this information.
